CANDIDATE PLATFORM

01

Mental Health & Wellness

I will organize mental health workshops, gaming nights, and e-sports tournaments to give students a fun way to unwind, socialize, and de-stress. Let's build a campus where mental wellness and gaming go hand in hand!

02

Startup Pitching Contest

Whether you're into tech, fashion, food, or social impact, this is your chance to pitch and build something amazing!

03

Resume & LinkedIn workshops

Resumes and LinkedIn profiles make or break job and internship applications. I will organize resume-building workshops, mock interviews, and networking events with industry professionals

04

Hackathon for All

Hackathons are not just for coders! This event will welcome designers, business minds, writers, and problem-solvers to collaborate and create solutions for real-world challenges. Whether you want to develop an app, a marketing strategy, or an art project, this hackathon is for everyone!
